

USPAACC Western Region Presents 'California Top 10 Asian American Business Awards'

San Francisco, CA | March 10, 2011

The 'California Top 10 Asian American Business Awards' were presented last night at the Hyatt Regency Embarcadero Center in San Francisco, California. The event, hosted by the US Pan Asian American Chamber of Commerce Education Foundation (USPAACC) Western Region and U.S. Small Business Administration, had over 125 in attendance.

The Awards were presented, in alphabetical order of company name, to Allstate Engineering; Ameredia; Akraya, Inc.; Intellix Solution, Inc.; It Source Technology; netPolarity, Inc.; SearchPros Solutions; Singh Group, Inc.; Zero Waste Solutions, Inc.; and VXI Global Solutions. The final ranking shows a great majority of the honoree companies generated over 100% growth rate within the last three years, with individual companies generating as much as 380%.

"We take pride in recognizing the continued robust growth shown by Asian American-owned businesses across industries, even in these challenges economic," said Clyde Wong, USPAACC Western Region President. "The significant growth rate figures are true testaments to the enduring quality of California Asian Americans, who, through innovation, hard work and ingenuity, remain at the forefront of California economy.

To qualify for the ranking, companies must be owned by one or more Asian Americans (at least 51% ownership), among other eligibility criteria. Based on percentage revenue growth over three years, selection was determined through direct applications and nominations. Finalists were independently verified by a California-based accounting firm, A2Q2.

Ameredia, Inc., Bay Area Rapid Transit System, Bay Systems Consulting, Inc., CE2 Corporation, East West Bank, Pfizer, Sugar Bowl Bakery, Sunwest Bank, The Norland Group and Wells Fargo Bank were the supporters of this year's 'California Top 10 Asian American Business Awards & Asian American & Minority Procurement Connections Conference'.
